SOUTH COUNTY SHOOTING

Everett, WA

Early this morning Snohomish County Deputies responded to a report of shots fired at the Colby Creek Apartments. While enroute they received additional reports of a bloody female knocking on doors asking for help. The female was located with several gunshot wounds, treated by FPD 1 medics and transported to Harborview in critical but stable condition. The victim is described as a 37-year-old Hispanic female.

As deputies were investigating a male subject was contacted walking away from the location within the complex, subsequent questions determined he was the victim's boyfriend and suspect in the incident. The subject was taken into custody without incident and a weapon was located. The suspect is described as a 38-year-old black male.

Snohomish County Sheriff's Office Major Crimes Unit is investigating.
