**Seattle FBI investigating radio towers knocked down in  
unincorporated Snohomish**

The Sheriff's Office is assisting the Seattle office of the Federal Bureau of Investigation in the investigation of two radio towers that were toppled earlier this morning near the 13400 block of Short School Road in unincorporated Snohomish.

Neighbors called 911 shortly after 3 a.m. and said someone was on heavy equipment near the towers. When sheriff's deputies arrived two of the towers were down. Heavy construction equipment was found at the scene. A K9 search of the area did not lead to any suspects.

Deputies also discovered other evidence at the scene, but the Sheriff's Office is not releasing any information about that evidence.

For any further information or updates about this investigation, please contact the Seattle FBI at 206-622-0460.
