Missing Snohomish area woman

The Sheriff's Office is looking for a 59-year-old Snohomish area woman who was reported missing Oct. 14.

Galina Brown was last seen Oct. 11 at her home in the 13500 block of 69th Ave. SE in unincorporated Snohomish. Her husband thought she had gone to work Oct. 12, but when she didn't return that evening he began calling family and friends.

Galina suffers from health problems and needs medications, which she doesn't appear to have with her. Detectives say it's possible she went for a walk and became disoriented.

She is described as white, 5 feet 9 inches tall and 180 pounds with brown hair and gray eyes. Photos show her with blond hair. She has a Russian accent. She was last seen wearing jeans, a T-shirt and a gray L.L. Bean parka and tennis shoes.

There is no sign of foul play. The case remains under investigation.

Anyone with information about this incident is asked to call the Sheriff's Office tip line at 425-388-3845.
