

# ADVANCED REGISTERED NURSE PRACTITIONER—ADULT MEDICINE

\$91,468 to \$111,143 per year + benefits

One full-time position -- Open until filled

## THIS IS NOT YOUR TYPICAL ARNP JOB

ARNPs in the Snohomish County Correctional Facility are responsible for the total care of the client. Inmates are seen for a variety of medical concerns; and the ARNP is responsible for ensuring they are medically stable. This involves diagnosis, direct treatment and ongoing follow up. Most care is delivered onsite. Lab and imaging services are available.

*This work is most closely associated with Emergency Room or urgent care*

*Clients represent a diverse, constantly changing population*

- COPD \* Minor Trauma \* Cardiac Conditions
- Renal Failure \* Drug/ETOH Detox
- Pregnancy \* Hepatitis
- HIV/AIDS \* Diabetes \* Hypertension

The successful candidate will enjoy autonomy and responsibility consistent with the scope of licensure. He/she will become part of a knowledgeable, dedicated staff with nearly 200 years of combined correctional experience.
